

Stewardship Brainstorming Activity 2017 Year-End Meetings

TALLY

During the stewardship presentation, participants were asked to brainstorm ways to prepare churches and members for the upcoming First Quarter 2018 Adult Bible Study Guide on the topic of stewardship, as well as how to “extend the shelf life” of the study guide.

Below is a list of topics that were gleaned from the raw data received from the participants.

For any questions or comments, please contact Bonita Shields, Associate Director of NAD Stewardship Ministries, at bonitashields@nadadventist.org.
